"You will be known as.. Fireheart, Greystripe, and W/n!" Bluestar meowed.

Everyone chanted, "Fireheart Greystripe, W/n!" But Darkstripe cheered the loudest, for W/n.

W/N POINT OF VIEW

I wonder why he's cheering for me, not Fire and Grey?

Well gotta go hunting with Tigerclaw, **W/N didn't notice Darkstripe was following...**

She looked back, no body was there.. She swear she heard footsteps.

Tigerclaw disappeared!! "Wha-? AH!" I was pinned to the ground by? Darkstripe...?

I blushed, "D-Darkstripe! Why'd you do that!?" *Well, I kinda like him..? NO W/N! STOP IT!*

"Sorry W/N... I just, happened to have a crush on you..?" "Well I kinda like you too.." I said getting back up. "SO..?" I tried to start a convesation.. "will you be my mate..?" Darkstripe asked. "OMSTARCLAN YAS!" I replied.

Blah blah blah... THUNDERCLAN AWAYYY!

All the cats chanted, I stared down at my collar, my p/c pelt flattened. I stared out into the crowd. Firepaw smiled at me, I smiled back then I turned to Bluestar. "From this moment foward, until she has recieved her warrior name, she shall be known as, Ap/n!" Bluestar announced.

"Fireheart, the first time I saw you, I kinda liked you, and I still do and I'm sorry for taunting you, and will you be my mate?" She asked. "O-Of course!" As I listened tears started to form in my eyes, "he has her now, I can't be with him anymore.."

(Back at camp..)

I padded along the snowy banks of the river with Tigerclaw beside me. "Don't fall Apr/n." He mewed to me. Firepaw and Graypaw were beside me also. Suddenly, a patrol of riverclan warriors crossed the stream and attacked us. I sank my claws into Cat #1's shoulder. Cat #1 yowled.They threw me off and I fell unto Tigerclaws paws.

I guess you didn't care, and I guess I liked that. And when I fell hard, you took a step back without me, without me, without me-e-e-eee!

I sprang to my paws and hissed at the warriors. I unsheathed my long, white thorn sharp claws and sprang onto Cat #2's back as they attacked Tigerclaw. "Thanks Apr/n!" He meowed between hissing. "No problemo!" I purred.

And he's looong gone, when he's next to me. And i realize, the blame is on ME!

(at the end of the battle blah blah you find out Tigerclaw killed redtail and you start to hate Tigerclaw)

"Hw could he do that? he's not supposed to kill clanmates!!" I meowed. "But it's true! My eyes don't decieve me!" Ravenpaw mewed back. "Well shouldn't we tell Bleustar?" Firepaw suggested. "Yeah we should! But what if she doesn't believe us?" I replied.

Cuz I knew you were trouble when you walked in, So SHAME on me now. 'Flew me to places I'd never been, So you put me down.

I wanted to KILL tigerclaw in revenge. But That would never happen cuz he's stronger than me..

Ap/N pov

Me and my sister, Pinepaw (me!) were taking the dawn patrol with our mentors, Applewind (My oc) and Brightheart. "Be careful, we are near Windclan territory." Applewind explained. Applewind, our big sister, her pale brown tabby coat flew back as the wind from the meadows of the territory flew here. "Hey Applewind?" I asked my sister, "I see and smell windclan cats over here."

"Good. We'll find out what these rabbitdung-eaters want." She hissed. "We better check ou-" Brightheart was inturrupted by Ashfur and Lionpaw hurrying over here. Ashfur has a MAJOR crush on Applewind! We'll see how that comes out.. "Sorry to inturrupt.. But we were sent here to just.. well.. come along." Ashfur explained. "Trying to make small talk with big sis?" Pinepaw purred with a hint of curiousity in it. "N-No... just.. *sigh* Anyyways.." Ashfur continued. I listened but payed not much attention.

I saw a handsome, black tom with yellow eyes. I could tell he'd been staring in my direction for a couple of cloud-shifts (minutes). But he shook his head and continued on by his mentor. I blushed. "Hey Ap/N whatcha lookin at?" Pinepaw asked, a smirk growing on her face.

"N-Nothing!" I lied. But Lionpaw new I was looking at his half-brother.

(Camp)

"Hey Lionpaw, wanna share?" I asked him. "Sure!" He quickly said.

Somethin's up.. "Hey you ok? You look like you've got something on your mind. If you don't wanna tell me that's alright!" I asked him. "I'm fine, Ap/n.." He replied shortly. "Alright, you look... sad?" I replied. "Nothing's wrong. Anyways, I think Ashfur has a crush on Applewind! Wanna spy on em?" He changed the subject. "Heck yeah!"

(later..)

Applewind's POV

Woah.. I just heard Ashfur talking to Ferncloud. Ashfur likes me!?! Holy Starclan! "Hey Ashfur I wanna talk to you..." I asked him.

(timeskip)

(Still Apple's pov)

"Hey Ashfur, I overheard you and ferncloud talking.. and.. I like you too!" I said.

Applewind has had 3 kits! 2 toms and a she-kit. Their names are.. Darkkit (tom, gray tabby yellow eyes) Blackkit (tom, black with amber eyes and) and Sootkit (shekit, pale brown dark gray markings.. with sky blue eyes). "They're beautiful!" Applewind purred and let her kits nurse. But a badger snuck into camp. My e/c eyes widened. "hey ashfur stay here with Applewind!" I ordered him he nodded. I attacked the badger but a stupid little windclan apprentice came. "What in starclan are *you* doing here?" Lionpaw argued with Breezepaw. "Helping." He replied calmly.

LIONBLAZE ENDING

(pretend breezepelt got srsly hurt)

"Hey Lionblaze... I have something to say." I told him. "Yes?" "I've

loved you forever and now.. will you be my mate?" "(omfg) of course!" He replied.

"Breezepelt."

(OC) Liontail X Reader

Your clan is my oc clan, Cloudclan.

Song: Fight for Me - Heathers: The Musical

Your POV!

As I entered Cloudclan, certain toms caught my eye. Liontail and Ryewhisker. They were quite older than me. I knew they both had crushes on me but I pretended like I didn't know. I went over to my sister, Minnowshine. "Hi (Warrior Name)!" She greeted me. She was carrying Patchfur, the deputy's kits. "Hey Minnowshine! How are you doing?" I asked. "Good! Leafheart told me that my kits are due in a couple of moons. I'm excited to see the kits. I'm just worried.. since it's leaf-bare, I want them to be healthy." She replied. "I'm sure they're going to be great! They're going to be healthy and no sickness will cover their fur." I meowed.

Moons later.....

Minnowshine was giving birth. I was pacing back and forth with Patchfur, "I hope she's ok!" Patchfur kept repeating himself. Then, Leafheart told us to come in. Minnowshine had 4 kits. A golden tomkit, a black and white patched tomkit, a ginger tabby shekit, and a small white shekit with black ears and tail. "They're amazing!" Me and Patchfur purred in unison. Ryewhisker and Liontail exchanged angry glances behind my back. "Their names are ***(from first described kit to last)*** Sunkit, Rainkit, Brightkit, and Splashkit." Minnowshine meowed sweetly.

Liontail's POV (Gonna be short)

I was glad that (Warrior Name)'s sister had kits. But I want to be with (Warrior name). I have to get to her before Ryewhisker does... (Warrior Name) walked out of the nursery, "Hey (Warrior Name)~!" I meowed to the beautiful (Fur Color) she-cat. "Hi Liontail!" She

replied. Ryewhisker had left to go on a patrol. "Wanna go on a walk with me..?" I asked. "Sure!" (Warrior Name) meowed.

Back to your POV

I went with Liontail into the woods. "So uh.. (Warrior Name).. I have to tell you something.. important?" liontail asked. "What is it?" I tilted my head. "I-I've loved you ever since I met you and.. will you be my mate?" I was shocked. "You wouldn't love me anyways.." Liontail meowed after a moment. He flattened his ears. "Oh Liontail, I love you too!" I nuzzled him. He purred, "Let's get back to camp."

Moons Later...

Me and Liontail had became mates and.. did I mention I have a little sister? Her name is Swiftpaw. Ryewhisker had fallen in love with her. Weird right? Heh. I had 2 kits. A (female/male) kit. His/Her name was (Kit Name). The other kit was (Kit Name), a (female/male).

A/N

Wow. I need your opinion on this one. Is it good? Bad? Pls tell me :D! Sorry for late updates, I've almost forgotten about Wattpad. I won't be continuing the laurence x garroth x reader. I will be continuing this one though!

Requests?

[image]

Hey doods

Do you want me to do any requests? You can ask for OC X OC or OC X Reader :D

So..

just ask requests :D

Ashfur x Reader (part one)

This was a request From.. @KaiAishi In this story, Lionblaze, Jayfeather, and Hollyleaf's parents are Ferncloud and Dustpelt (If they're alive XD). So Leafpool has some fan made kits made by me 😉

Ashfur's POV

Squirrelpaw kept bugging me about something.. about Brambleclaw being a bad (pretend bramble is..) mentor. And how I should be hers. But.. I wasn't paying much attention. I just stared at Y/Npaw. She's just so.. beautiful. Squirrelpaw thinks I like her.. But I *don't*. I don't like Squirrelpaw. I like Y/Npaw. She just doesn't know that. And doesn't understand. I know they're sisters. But Y/Npaw is nothing like Squirrelpaw or Leafpaw.

Y/NPaw's POV

I talked with my sister, Leafpaw. We were discussing about when we should be able to get our warrior names and why Leafpaw has been disappearing here and there. She told me she was in love with a cat named *Crowfeather* and said he belonged to Windclan. "But you're a medicine cat! You can't fall in love with a Windclan warrior either way!" I gasped, "B-But I love him. He likes me back!" Leafpaw reassured. She turned her head to the opposite direction. "Heya Y/Npaw, y'know Ashfur's been staring at you for a while now, right?" Leafpaw asked. "Hm?" I looked at Leafpaw's direction and Ashfur quickly glanced away and tried to act like he liked Squirrelpaw. *Wow, I never knew Squirrelpaw was THAT annoying!* I laughed to myself.
Ashfur's POV *yay!*
I don't like Squirrelpaw, remember that Ashfur! I bonked my paw against my head, "Haha!" Squirrelpaw laughed again. *Ugh! I can't believe Y/NPaw has to live with an annoying cat!* I thought to myself. It was already moon high. And Leafpaw and Squirrelpaw were going to get their warrior names. But Y/Npaw.... Not yet. I don't get why she shouldn't! I mean, Squirrelpaw *dislikes* Y/Npaw and blamed

her for stealing prey from Windclan even if Squirrelpaw stole it herself! I don't know why Firestar didn't want to punish her (as in Squirrelpaw), yes maybe they're his daughters but he still needs to punish SQUIRRELPAW. Squirrelpaw gets on my nerves. And I mean every single one of them.
Squirrelpaw's POV
Aha, yes I do love Ashfur, but Y/Npaw cannot steal him from me >:(
Y/NPaw's POV
"Hey Y/Npaw, follow me~" Squirelpaw asked me. "U-Uh sure.." I replied. Squirrelpaw led me to the river. "Bye Bye Y/Npaw~" She laughed and cut my eye and bit my throat, **Reader Chan isn't dead, she just blacked out!** And I Blacked out. **Nothing to worry about! Haha - I'll continue now.**
Squirrelpaw's POV
I ran back to camp, not realizing Y/NPaw's fur between my claws "SOMETHINGS HAPPENED TO Y/NPAW AT THE RIVER" A Cat shouted, it was Hollyleaf, "I saw you - Squirrelpaw. " Ashfur scowled at me and ran into camp, *please say he won't tell Firestar!* I thought. "We have to talk - about what you did to your sister." Firestar took me into his den. *This is where I die now, isn't it?* I thought. But actually - I just told Firestar i was jealous..
Y/NPaw's POV
I woke up in the medicine cat den, next to Leafpool **Yes Leafpaw and Squirrelpaw got their names already.** "Leafpool!" I gasped and touched my nose to my sisters, "Yes that's me!" She smiled back. "Y/Npaw, I have to tell you something. One is that your warrior name is now Y/W/N. And two is... I have kits." Leafpool removed her tail from 3 bundles of kits. One was a dark (your fur color) tabby shecat and the other two were silver tabby and black mottled toms. "They're so precious!" I meowed, "What I want to ask you is - will you take care of them for me..?"

Ashfur x Reader (Part two)

[image]

This chapter will be quite short so pls don't hunt me down :P

Y/W/N's POV

"Of course I will! Anything for you, Leafpool." I purred. "Great." Leafpool picked up two of the kits, I picked up the other. We started heading towards camp, "Hey Leafpool! (Y/W/N)..." Ashfur looked at me with the kits, "D-Did you have kits..?" Ashfur lowered his ears, "Who's the father..?" He continued. "There is no father." I meowed between a mouthful of kit-fur. Ashfur's ears perked back up. "Ok!.." I walked over to the nursery and nursed the kits, I looked at the grey mottled tom, "I will name u.... (Kit Name #1)". I nosed the black tom, "This one is Nightkit." Leafpool meowed, "And this one.. (Kit Name #3)." I nosed the dark (your fur color) tabby she-kit and she mewled.

Timeskip brought to you by McDonalds

I grabbed the kits and ran out the nursery and gave them to Leafpool and (My oc <:)) Willowwater, the camp was on fire. They had run to the new camp while I stayed near Squirrelflight, she had changed during these moons. But I was separated by a log falling between us. I saw her standing from the flames, Even if her fur is the color of the flames! Lionblaze, Hollyleaf, and Jayfeather stood behind her, she had taken care of Ferncloud's kits **(Yes I made Lion, holly, and jay Ferncloud's kits <:))** Squirrelflight and Ashfur were arguing. I jumped next to Squirrelflight, "Ashfur..?" I looked at him, *why* would he try to kill *my sister's* kits!? He gasped, "(Y-Y/w/n)..."

Y/K/N - Your kit name (ex. Your name is Waterkit, but this one is an example XD)

Y/A/N - Your Apprentice name

Y/W/N - Your warrior name

..:NOTICE:.. Some of these are not word for word from le book and is what *I* make up okay :D

I stood at the back of the nursery with my mother, Oatwhisker. (Yes OAT.. like Oatmeal :D) My best friend had been neglected by *his father*.. why would he do that!? I wanted to attack Crowfeather.. but Oatwhisker had told me that Crowfeather disobeyed the warrior code and was in love with *not only* a Thunderclan cat, a Thunderclan *medicine* cat!

Moons Later..

I stood at the edge of the apprentices den, Breezepaw had been so depressed ever since Crowfeather neglected him, but he ignores Breezepaw too! Crowfeather should at least congratulate him! I had heard Crowfeather and Breezepaw arguing, "WHY do you have to always not care for what I do!?" Breezepaw growled, Crowfeather didn't even reply, "WHY do you always ignore me!?" I jumped in, "Why won't you answer him for once!? Are you just deaf and blind!? You're not a successful father and you don't care for Nightcloud or Breezepaw!" Crowfeather just stared at me, a hurt look in his eyes. "Go. Now." Crowfeather hissed, "No." I meowed. (**Savage XD**) Crowfeather unsheathed his claws, Breezepaw stood infront of me. "Kill me first >:("
